About EC:

Across India today, top companies recruit for talent, rather than knowledge; young people demand the opportunity to "make it big"; the govt of India increasingly emphasizes the need for an entrepreneurial generation. E-Cell is the forefront of this entrepreneurial change.

The E- Cell is managed and driven by college and alumni. The E-cell organizes a variety of activities centered on promoting entrepreneurship among students: -

Objectives of EC:

1. To identify the entrepreneurship skills in students and motivate and guide them in this regard.
2. To provide training and key information of opportunities in entrepreneurship

Functions of EC:

E Cell prepares students pursuing B. Pharm. & M. Pharm. for their entrepreneurial venture through its well drafted pedagogy which include –

- Orientation and Motivation
- Opportunity assessment
- Kick starting the entrepreneurial campus
- Business planning workshops
- Prototype to commercialization- drafts preparation
- Market analytics
- Team building
- Managing funds/ entrepreneurship finance
- Social entrepreneurship locally in the area
